I Jae Sprauve take the listed "Negative" comment from Queen City Tours (@QCTours) as a personal attack towards me and my Family. This Mole in a Mud Hole, Man with a Van @ Queen City Tours owner Juan Whipple a.k.a. alias John Williams has been harassing Ms. Terri Joelle for 12 loooooong years with these continued outlandish accusations that have been proven in court to be False according to ALL Judges rulings. This "Sociopathic" menace on the loose is a heartbeat away from a Straight Jacket, so much to the point that he doesn't realize his postings have no merit and will never sway anybodies Love, Loyalty and High Regard for Terri Joelle who has a "Stellar" reputation in the Tours and Transportation community here in Charlotte as well as being The Premiere Tour Guide and Personal Travel Arrangement Manager for Celebrities throughout The Entertainment Industry. Whipple / Williams has not grown beyond a Man with a Van mentality due to his lifestyle of seeking out mostly FEMALE victims to agitate, as he cowardly hides behind a computer screen spewing out negative energy under "Net Nick Names like Inetta B. Justice, DSHANEPI and various others fictitious characters that are on the record. Juan Whipple, son of Mildred and Father of Julie your negative decade long comments strongly support the large majorities' belief that you are in desperate need of Psychiatric Help and we view your claims as a cry for evaluation!!!

JuanWhipple@QueenCityTours, JohnWilliams@QueenCityTours or whatever your name is today, "UNALTERED" Legal Documents, Photos, Videos and Public Domain MUG SHOTS are available, By the way your <http://www.queencitytours.com> site really reflects the scrambled confused state of your mind. Free Yourself Dude !!

Queen Charlotte fascinates and educates children of all ages. She serves our community with wonderful stories of local history and culture. She is a unique offering in Charlotte that I personally treasure.
