Virgin Voyages donates 2,000 free cruises

Tuesday, 29 Nov, 2022 

Virgin Voyages celebrates Giving Tuesday by honoring local healthcare heroes with free cruises.

For the second consecutive year, Virgin is partnering with Baptist Health South Florida and donating 2,023 complimentary voyages.

It adds up to an estimated \$5.9 million in free cruises.

“Our local healthcare workers put everything on the line, and now it’s our turn to pay it forward,” said Jill Stoneberg, Virgin Voyages’ Senior Director of Sustainability and Social Impact.

“We’ve turned a corner, and we’d love to offer our frontline workers a much-deserved break.”

The 2,023 gifted sailings will recognize employees in the Baptist Health network who have made a positive impact in the local healthcare community.

They will receive a voyage for two in a Sea Terrace.

The 2,023 winners will select from one of six Caribbean itineraries departing from Miami between Jan. 2 and April 28, 2023.
